

Interesting facts

- Founding year: 2019
- Number of employees 2020: 1
- Percentage share of sales abroad (main markets): 50%
- General Information:

Products and Services

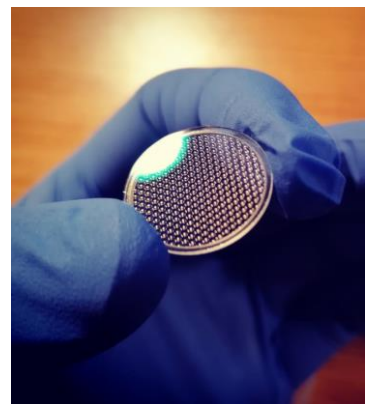

- Optical Design
- Prototyping
 - Diamondcutting
 - CNC machining and polishing
 - Silicone casting
 - Prototyping tools
- Projectmanagement and supplier management
- Optical coatings
- Serial production of plastic optical parts

Target markets and applications

- Lighting Industry
- Automotive
- Sensors
- Consumer

Features

- Services from Optical design and prototyping until serial production

***Microlensarray (PMMA)
AR coating***
