Photonic Hub Pavilion
At the "LASER World of PHOTONICS 2022"
June 26th-29th, 2022 in Munich

LASER World of PHOTONICS is the world's leading trade show for components, systems and applications in photonics.

Key figures for the 2019 trade show (source: Messe München)

- 33,999 visitors from 82 countries
- 1,325 exhibitors from 40 countries
- 55,000 square meters of total area

We offer you the opportunity to present your company at the Photonic Hub Pavilion and to benefit from our complete package for co-exhibitors.

The Photonic Hub Pavilion:

The Photonic Hub Pavilion offers an open and modern, representative concept on approx. 150 m² with space for 18 exhibitors, all of whom will be located directly at the aisles.

The pavilion is registered in Hall B1; the final location will be determined by Messe München.

The complete package for co-exhibitors:

- **Workstation** for 2 persons with lockable storage space
- Glass showcase (illuminated and lockable)
- **Company logo**
- Brochure stand
- **Power connection** (1x) and consumption
- **Meeting area** for general use
- Beverage service for visitors
- **Lunchtime snack** for exhibitors
- Security and cleaning
- **Organizational support** before and during the trade fair
- We support you with joint **marketing and PR activities** (press releases, social media)

Pricing

The participation fee includes the complete package, communication fee and 2 exhibitor badges.

- 5,850.00 € plus VAT for members of one of the competence networks Optical Technologies (OptecNet Deutschland), IVAM, OES e.V., Photonics Austria and Swissmem/ Photonics Division
- 6.300,00 € plus VAT for all other exhibitors

Invoicing February 2022, payable in advance of the trade show

Cancellation

If a co-exhibitor cancels, we will try to find a replacement co-exhibitor. If we find a replacement, we will only charge a processing fee of 300,00 € net.

If this is not successful, we will charge the cancelling party 100% of the costs.

Should the pavilion not be feasible for reasons beyond the control of Photonic Hub or due to force majeure, Photonic Hub GmbH reserves the right to cancel the pavilion. This also applies if the minimum number of 16 exhibitors is not reached. In this case, we will inform you in good time so that you can take advantage of another exhibition opportunity if necessary.
